

# Honeybux

## Your employer is now using Honeybux!

### What is Honeybux?

Honeybux is the modern, sustainable, electronic way to give, allowing users to give electronic gift cards while simultaneously promoting philanthropy. Each time Honeybux is given, an amount of money is allotted to be donated to a non-profit and an amount of money is allotted to be spent on a gift card to over 400 national brands. One Honeybux equals one dollar - cold, hard, cash!

REAL CASH TO  
REAL NON-PROFITS

REAL CONNECTION TO YOUR REALLY  
COOL COMMUNITY

WE ARE THE SWEETEST WAY TO GIVE!

### How Does it Work?

1. You receive an email from Honeybux notifying you that your gift has arrived.
2. You go through the Honeybux experience!
3. You select a non-profit to give to from our charity selector to unlock your gift using funds from your employer.
4. Your Honeybux is now unlocked and you get to go shopping for yourself!
5. Everyone wins!

### How do I find my favorite non-profit to give to?

We love that you know exactly where you want to give! You can easily search for your favorite non-profit by name in our charity selector.

### What if I don't have a favorite non-profit?

Look at you becoming a philanthropist! Your employer has set up a list of non-profits that they love to support or, you can search by your area or interests.
